ABOUT ME

I'm Banyweire John, born and bred in Uganda, hailing from the Musoga tribe. My academic journey began at Hosanna King's Primary School, where I laid the foundation for my future. Through Majorine College Mulawa and Kyambogo College, I've embraced education as a tool for growth, embodying the spirit of my culture every step of the way.

WORK EXPERIENCE

WEB DEVELOPER

2024

DesisHub

A web developer is a digital architect who crafts the virtual landscapes of the internet. Armed with coding languages like HTML, CSS, and JavaScript, they construct interactive and visually appealing websites.

GRAPHICS DESIGNER

2024

DesisHub

A graphics designer is a creative virtuoso who blends artistry with technology to visually communicate ideas. With a keen eye for aesthetics and a mastery of design software, they craft captivating visuals for various mediums, from branding and advertising to digital interfaces.
